SENIOR COUNCIL

Sally Coith, member-at-large; Jay Fasold, treasurer; Mark Rutledge, president; Paula Champion, secretary; Tom Dryer, member-at-large, Candy Scheidt, vice-president.

Miss Culp, advisor.

The Senior Class had a very busy year under the leadership of Mark Rutledge, president; Candy Scheidt, vice-president; Jay Fasold, treasurer; Paula Champion, secretary; and Tom Dryer and Sally Coith, members-at-large and with Miss Clup as the advisor. In the fall the class was kept busy between selling concessions at the home football games and working diligently on the float. In November the class invaded Washington, D.C., then came back to Wyoming to start on their money making project of selling Christmas wrapping paper. In the spring the class took the inumerations for the Board of Education, and also had a picnic at Lesourdsville Lake. Finally, the class ended its high school career with graduation, the dinner, boatride, and breakfast which followed the ceremonies.

CLASSES

JUNIOR CLASS

With Rick Rohrer as its president, the Junior Class had a successful and profitable year. Other officers were Mark Schickner, vice-president; Barb Thompson, secretary; and Denny Dotson, treasurer.

Highlighting the junior events was the prom, "A Night In Camelot" featuring the Nu-Tones for music. Whether or not a profit was made on the prom is as yet still undetermined. But if this prom is typical of most past proms, more money will have been lost than gained.

As a whole, the juniors have enjoyed a good year and look forward with enthusiasm to an even more exciting senior year.

ACADEMICS

Cum Laude

The picture on the preceeding two pages shows the members of the 1967 Cum Laude shortly after being inducted at the Scholarship Program. From left to right in the first row are: Steve Goldman, Barb Schuchardt, Joani Bergstein, Gigi Sanders, Nancy Noyes, Debbie Lipsich, Laurel Broge, and Rod Solomon. In the second row are: Tom Dryer, Steve Bartlett, Andy Duncan, Chris Myers, Jay Fasold, Tad Murray, David Brassfield, Charlie Levin, and Kent Foster.

The qualifications of a Cum Laude member at Wyoming High School are: a 1.9 or better academic average for the four years of high school, attendence at Wyoming High for at least two years, and having earned at least fifteen academic units in the fields of science, social science, English, foreign languages, and mathematics.

IT'S ACADEMIC

Lance Williams, Tom Dryer, Steve Bartlett, and Mr. Napier.

On October 18, the "It's Academic" team was chosen from the eleven juniors and seniors who were initially recommended by their teachers. This year's team was composed of Tom Dryer, captain, Steve Bartlett, and Lance Williams with Rod Solomon, Tad Murray, and Jay Fasold as the alternates.

The team answered questions in the areas of history English, science, mathematics, and general knowledge and progressed to the final match without many difficulties. In the final match in which Wyoming played against Elder and Walnut Hills, the Cowboys led all the way until the "gab bag" session. Walnut Hills then took the lead, with Wyoming second and Elder finishing last.

National Honor Society

ROW ONE: R. Solomon, S. Friend, D. Lipsich, L. Broge, M. McCarthy, C. Lewis, B. Schuchardt. ROW TWO: C. Zimmerman, R. Rohrer, G. Sanders, K. Foster, D. Brassfield, B. Duthie, M. Macneale. ROW THREE: T. Murray, S. Lewis, M. Schickner, T. Dryer, W. Welkom, S. Lang. ROW FOUR: S. Bartlett, J. Fasold, S. Coith, E. Fast, T. Helscher, A. Duncan.

National Honor Society inducted nineteen new members in early April. The membership is voted upon by the faculty, after all juniors and seniors with a 2.5 average or better completed a list of their extra-curricular activities for the faculty's reference. The faculty vote on the basis of the candidates "Leadership, Scholarship, Character, and Service" qualities.

At the induction ceremony, the inductees each received a candle, that treasured pin, and recited a pledge to uphold the fine qualities which the faculty had felt that he holds.

The members of Spanish Honor Society were chosen at the beginning of the second semester this year. Membership is based solely upon academic achievement. In order for a junior to qualify, he must have maintained a striaght "1" average in his first semester work, and must prove capable of keeping this average for the remainder of the year. A senior must maintain at least a "2" average for his entire senior year.

One of the major activities of Spanish Honor Society was a day jaunt to Columbus for a state-wide convention on April 1. But the biggest innovation of the group was the presentation of two new awards at the awards assembly, one for the 1 student who was the most outstanding in the two grades, and the other to the student who was the most "Spanish." Nancy Noyes received the former, and Melissa Gridley, the latter.

Student Council

This year, under the supervision of Mr. Wagner and President Rod Solomon, the Student Council administered many successful projects. These projects included: a Homecoming dance and four class Homecoming floats; furnishing the Student Commons with four vending machines, tables, benches, and a radio; an Honor Study Hall; a noise study on the talking in the halls during lunch; an Interclub Council who established a standard service award; four open houses; a student tutoring program; improving the appearance of the athletic field; and a Greenwich Village Day with a faculty versus student basketball game and a dance that night.

Also accredited to Student Council were numerous assemblies: Ted Bumiller, Narcotics, orientation for freshmen, a litter assembly encouraging more cooperation encouraging more cooperation by the students in keeping our halls clean, an open forum assembly, and the traditional assembly in April for the candidates' speeches.

The Council's finances were acquired from the vending machines. This income and the hard work of the members contributed to the progress of this years's Student Council.

OFFICERS:
J. Fasold, R. Solomon, D. White, S. Wilbers, M. Schickner.

ROW ONE: R. Solomon, M. Morrissey, J. Dryer, N. Schickner, K. Karakul, D. McNeil, D. Mercer, J. Rossi. ROW TWO: R. Robinson, H. Wergeland, M. Schickner, J. Fasold, S. Wilbers, R. King, M. Rutledge, M. Brassfield, T. Bruce, R. Rohrer, H. Sharps, B. Thompson, D. White, Mr. Wagner, C. Scheidt.

Pipsqueak Planners

ROW ONE: S. Anderson, T. Shambo, P. Thompson, T. West, S. Alexander, A. Robinson, C. Cole. ROW TWO: G. Sharp, S. Bruce, H. Rutledge, Mrs. Morrison, P. Sloane, G. Lewis, J. Diebel. FOR THREE: J. Hamburger, B. Webster, J. Briggs, J. Carroll, J. Bruck, J. Tesch, K. McGraw.

Who was always there to plan the dances, get tickets for Surf Day, Drama Club and Ted Bumiller assemblies, help with running the awards assembly, and compiling the noise study? Your Junior Council, of course.

Sponsored by Mrs. Morrison, this year's council was led by John Diebel, president; Jon Carroll, vice-president; Susie Anderson, treasurer, and Gail Sharp, secretary. The Council is a body of ten seventh and the eighth graders elected by their own class members.

While the Council's main responsibility was to undertake the planning of three dances for the Junior High students, it had a large variety of other functions. Some of these were deciding the type of individual pictures for students, and trying to keep the new student commons clean. This year's Junior Council worked hard and onlg to make our Junior High a better one.

Interclub Council

ROW ONE: B. Schuchardt, C. Scheidt, M. Clay, J. Brooks, B. Allen. ROW TWO: A. Soukup, A. Arenstein, R. Solomon, B. Duthie, S. Friend. ROW THREE: S. Coith, D. Brassfield, A. Duncan, R. Schlueter, M. Tarr.

Interclub Council is composed of representatives from all non-athletic clubs. The council's purpose is to recoginze outstanding service to the school. This year the representatives from the clubs discussed the old awards system, and after much debate a new system was drawn up. Each club nominated its outstanding members. At the final meeting, a brief resume of each nominee was presented and then all the members elected fourteen out of the thirty candidates. The recipients were presented medals and certificates during the awards assembly.

Diligent Debaters

VARSITY DEBATE TEAM
T. Murray, R. Solomon, J. Rossi, M. Rutledge.

Wyoming's debaters accomplished more this year than any other Cowboy debate team in the last several years. For most of the season the varsity consisted of Tad Murray, Rod Solomon, Mark Rutledge, and John Rossi. Other participants were Jim Sheehan (who was varsity at the end of the season), Leonard Berteaux, Clark Kaufman, Cindy Weatherby, Candy Scheidt, Richard Klein, Steve Gleckler, and Doug Schmitt.

The regular season was mediocre; Wyoming's first sign of excellence was tying for second in the district tournament. Then Tad and Rod got to the quarterfinals of the statewide National Forensics League tournament. (No previous Wyoming team had ever gone that far). This put the Cowboys in the State championships where Tad, Rod, Jim, and Lenny finished ninth out of the forty-eight teams.

Tad and Rod were jointly presented the forensics award. Besides their excellent tournament showing which included nine wins and three losses, the boys finish with an overall season won-lost record of 17-8.

Wyoming High School's Marching Band started the football season with a bang---from the new drum major's rifle. During the season, the marching Cowboys participated in Miami University's Band Day. High School bands in our district paraded through Oxford en route to the stadium, where they performed at halftime.

Concert Band entertained teachers during a SWOEA convention at Cincinnati Gardens.

The Christmas concert in conjunction with the various choral groups was a gala affair as usual.

Many band members participated in the Solos and Ensemble Contest sponsored by Miami Universtiy. Ensembles included Brass Sextet, Trumpet Quartet, Flute Trio, Flute Quartet, Clarinet Quartet, Mixed Clarinet Quartet, and Woodwind Quartet.

The band received a II rating in the District Contest at Anderson High School March 18. In preparation, a concert had been presented the night before.

Band members sold candy in an attempt to complete payments on the new band uniforms.

Concert band ended a year of lively music-making with an enjoyable Spring Concert on April 21.

The Cowboy's Chess Club has grown from seven members last year to 15 members this year. The Chess Club formed a team to compete in interscholastic competition. The club has joined the Greater Cincinnati Chess League and has completed the season's competition. The results of the competition: Wyoming won 3, tied 1, and lost 9, Wyoming averaged four points to its opponents six points.

This year has not been very successful since it was Wyoming's first year in interscholastic competition, but with several players returning for next year's competition, the team should do much better.

This spring the members of Chess Club adopted a constitution. John Snow, President; and Rick Schlueter, secretary-treasurer, officers, will end their terms and the new officers will step into office next September.

Actor's Guild

DRAMA CLUB OFFICERS:
A. Soukup, G. Sanders, C. Scheidt, D. Lipsich.

The Wyoming High School Drama Club initiated a year ago saw a relatively successful second year. Starting the year with Mrs. Von Benken as our advisor and under the direction of the officers Candy Scheidt, president; Ann Soukup, vice-president; Gigi Sanders, secretary; and Debbie Lipsich, treasurer, we planned to have improvisations to make people familiar with acting. Several speakers came including Mrs. Von Benken's daughter who is studying drama in England.

As the year progressed a reading committee was formed to help pick out a play for the big spring production. Due to Mrs. VonBenken's unfortunate accident we lost her in the middle of the year. We took heart, though when Mr. Wagner said he would direct the play. The play was chosen and work began on "Mr. Barry's Etchings." A lot of hard work on the play paid off and the Drama Club's spring fling was great. The year was a fun one and we hope for bigger and better years in the future.

The now officially recognized Wyoming stage crew has carried out its duties efficiently this year. Under the supervison of Mr. Rockel, they have been essential to the production of our concerts and assemblies. The stage crew is entirely responsible for all lighting and amplification necessary for the various performances, both those of school groups and of outside parties, which were given in Wyoming's gymnasium or auditorium. Equipment, including a closed-circuit TV, for the May Fete was valued at approximately $3,600. Thanks to Mr. Rockel and the members of his stage crew, enjoyment of school productions has been greatly increased.

Future Teachers of America combined the best of previous years' with some new programs to provide a most interesting schedule. The highlights were a trip to Washington Park School, the panel of Wyoming teachers, the special teachers, and the Montessori program. F.T.A. also organized Bundle Day and provided for its members to observe classes at the Pike School.

Interational Affairs

The AFS Club came in a package of about fifty strong this year. It was tied together by the club's officers: Sally Coith, president; Laurel Broge, vice-president; Randall Geehring, secretary; and Jim Mollenkopf, treasurer.

It was rather a shaky beginning when the club started off with a Milk Shake Contest. Scattered throughout the year were several successful Bake Sales after school. Sally and Hal shared their experiences with their fellow students in seperate hour long assemblies. April produced our money making project, the Pancake Breakfast. Towards the end of the year AFS week occurred. Friday of that week started of with three panel discussions featuring foreing students from neighboring schools. A potluck supper was held at Coith's honoring all the AFS foreigh students in the Cincinnati area. A dance that evening brought a close to the 1967 AFS week. The next project will be presented to the school when it is finished. This is an arrangement of pictures of all the AFSers to and from Wyoming. It will be placed in the student commons.

Last but not least, the AFS club awarded Hal with his very first ring, that of the CLass of 1967.

Another school year has passed, but this has been a very special year for me. It is a year I never will forget. During this time I have made many friendships which I hope will last forever. The thankfulness for having been here in Wyoming cannot be described. I have so many pleasant memories, and it is impossible to mention all of them.

The real meaning of the AFS program is not only to see what is on the surface, but to see what is under it, to find out what the American people are and what their country really is. And by living among you, being one of you, I can say I have learned quite a lot. I have a much better understanding of the United States.

There are many different customs and religions in the different countries around the world, but one thing I have learned: We are all people, human being. How true is the AFS motto:

"Walk together, talk together
O ye peoples of the earth;
Then and only then shall ye have peace."

Thank you very much for the so very pleasant stay you gave me here in Wyoming.

Sally Coith, fresh from France

Randall Geehring and Brooks Hozier,
AFS candidates for 1967.

King Hal of Norway

Sally Coith, Wyoming's 1966 AFS'er, spent the summer between her junior and senior years in Champagnole, France. Champagnole is located in the Jural Mountains, about 90 kilometers from Geneva, Switzerland.

In her French family were: her father, an eye, ear, nose, and throat specialist; her mother, who assists her father in his cases; three sisters, two of whom are teachers---the other is married; and a fifteen year old brother.

Among Sally's memories is the celebration of Bastille Day, July 14, which consists of four days of feasting, drinking, and merry-making. The particular fete which Sally attended was the Fete de Bayonne. The first of the four nights of the fete began with fireworks. Afterwards, the young people linked arms and ran through the streets, in a huge "crack the whip" chain.

For those who didn't participate, there were the open air cafes and bands on every corner for dancing. On the last night, the boys who wished to show their courage gathered in a bull ring. Young bulls were released, and the boys tried to get as close to the bulls as possible without getting hurt.

Sally summed up her stay by saying that it was a summer she will never forget, and that she looks forward to seeing her French family again soon.

The WHS Choir has had a very successful and productive year. The first program of the year was a concert given at Anderson High School, with the Anderson and Colonel White Choirs. At Thanksgiving, the choral cowboys sand for the Thanksgiving assembly. The Christmas Concert was performed two nights instead of the traditional one in order to relieve the crowded conditions in the gym. In March, the Choir gave one of its best performances at the District Contests held at Anderson High. Unfortunately, the judges did not appreciate its talent and gave the Choir an underserved II rating. Triple Trio received a I reting at the District Ensemble Contests held at Miami University, but Mixed Ensemble and Octette received only II's. One Sunday, the Choir supplied the choral portion of the service for the Wyoming Presbyterian Church. Small ensembles of the Choir gave other concerts at numerous clubs and organizations throughout the city several times during the year.

This year the Spanish Club got under way in October. It was successfully headed by Barb Duthie as president, Gail Brebner as vice-president, Lisa Carr as secretary, and Brenda Allen as treasurer. Meetings were held the second Monday of every month. During the year, the Spanish Club had two special speakers, one who spoke about her many years in Peru, and the other who spoke of Spain. At other meetings members provided the program.

The the major event of the year was the December visit of five Mexican students. They stayed in the homes of the Wyoming students who'd spent a month in Mexico last summer on the Good Neighbor Exchange Program. For our Mexican friends, the Spanish Club organized an after-school get-together in the library and a dance later in the month in the school cafeteria.

Even though the Spanish Club was not as active as it might have been, the members had a wonderful year.

With the Y-Teens clubs from Finneytown and Greenhills, the Wyoming Y-Teens adopted a little girl from Viet Nam. Yen, an eight year old, is the eldest of five children. Her mother, who works as a maid, was unable to support the family so they received food and shelter from a charity organization. Y-Teens' monthly payments bought food and clothing for the family and paid for Yen's schooling.

This year the Y-Teens calendar included sponsoring the annual Thanksgiving assembly held at school, providing cookies every month for the Senior Citizens meetings, Christmas caroling at Drake Hospital, sewing and stuffing Christmas stockings for underprivileged youths, taking Bethany School children downtown for lunch and a visit with Santa Claus, decorating boxes for the Hamilton County Council for retarded children, providing ushers at all choral concerts, sponsoring the Easter Sunrise Service, and babysitting at the May Fete. In the spring, the annual luncheon and fashion show was reinstituted. Profits went to the support of our foster child and to the YWCA World Fellowship Fund.

For the first time in Wyoming's history, Y-Teens sponsored a contest to find which senior boy on the basketball squad had the most beautiful legs. The student body, voting in the form of pennies, chose student body, voting in the form of pennies, chose Dan Constable's legs as being most beautiful. Proceeds from the contest were donated to the Heart Fund.

At the end of the year the club chose five girls it felt had donated the most time and effort towards making the year a success. The following girls were presented with a Y-Teen charm for services rendered Linda Asmann, Sheryl Friend, Evelyn Greiser, Judi Nelson, Tippy Peck, and Barb Schuchardt.

A special word fo thanks goes to Mrs. Florence Wellman, Y-Teen advisor, for her continued interest and enthusiasm.

The Art Club is a tool for other clubs. It's members meet every other Monday to make posters for coming events, programs for the plays and concerts, and help decorate for these events when they are needed. The club made paper mache jewelry which was sold at the May Fete, and for the Hobby Show, there was an exhibit of all art students' work.

This year was our first in the "new look" art room, and again, we were under the leadership of Mrs. Wade. It was a successful and productive year.

ROW TWO: M. Strom.

The cheerleaders led by varsity captain Debbie White and advised by Miss Schiesler, got an early start on a busy season by holding summer practices in July and August. The cheerleaders who had previously been to camp also attended Smith-Walbridge cheerleading camp in June. Along with cheering at all the football and basketball games (except the games at Hazard, Kentucky) they organized and gained the support of Pep Club. With Pep Club the cheerleaders sold shakers, pins, and as money-making endeavors, and also spent much of their Thursday and Friday afternoons making signs and posters for Pep assemblies or important games. New improvements which came about this year for the cheerleaders were new football uniforms, a car-caravan to the Princeton football game, and a new "little cheerleader," five-year old Debbie Gallager, who cheered for Wyoming at all the varsity basketball games and some Pep assemblies. Each season was ended as the cheerleaders presented a cake to each team and attended the football and basketball banquets.

Under Anne Arenstein's presidential leadership, the members initiated a magazine comprised of outstanding writings of Wyoming students. The CWC also visited other writings classes in the area and received advice from "people-in-the-know" invited to the bi-weekly meetings.

QUEEN KAY

Kay Mootz Crowned Football Queen

November 11 marked the initiation of several new events at Wyoming. Early in the school year, it was announced that instead of having "Homecoming," as such, the new title would be the "Football Festival." Along with this came the idea suggested last year, but never accepted, of having each class make a float for a halftime parade.

Thus, for several weeks preceeding the big night, most students could be found frantically working on their class float. The sophomore float won, using the theme "Us Cowboys Would Rather Fight Than Lose," and received a $35 prize offered by the Wyoming Boosters. The seniors, using "The Only Good Brave Is A Dead Brave," came in with a very close second place. They received $15 for their efforts. The juniors used the theme "Where The Action Is," and the freshmen, "Chew 'Em Up."

The halftime show was concluded with the crowning of Kay Mootz as our Festival Queen. Her attendants were Shelly Rogers, freshman; Kathy Rowell, sophomore; and Francie Iliff, junior.

The team climaxed the night with a powerful victory over Indian Hill by the score of 34 - 14. After the game a Student Council dance was held in the cafeteria, topping off a marvelous evening for all.

The 1966 football season, although the first time in nine years that the Cowboys didn't win or share a league championship, was a very rewarding year for coaches and players. The "A-bay. . .Huh!" boys may not have won the Hamilton County Suburban League title, but they certainly had lots of spirit. All through summer practice the team chanted a revenge on Princeton High School. The Cowboys led in this fast moving, tightly played game until the last three minutes when the Vikings scored on a long dirve and a freak fumble a minute later. The Cowboys lost the game and the championship as well, 15-6, and finished the year 9-1.

Wyoming enjoyed a terrific year in actual statistices, scoring 406 total points to their opponents 53. Steve Lewis did a remarkable job at quarterback, completing 57 of 102 attempted passes for a total of 1003 yards and 17 touchdowns. The top

Jim Farmer was the best ground gainer, averaging 7.7 yards a carry for a total of 567 yards. Mark Sheehan was the high man in tackling. In fact, the team was further recognized by having 5 members on the HCSL All-Star Team and 4 more amking honorable mention. Those making the offensive team were end-flanker Chris Meyers, tackle Butch Mobley, and quarterback Steve Lewis. Butch was not only on the offensive team but he was captain of the defensive team, along with defensive end Eric Fast and middle guard Mark Sheehan being named to the squad. Butch was further honored by being named Captain of the All-Ohio Football Team. The Wyoming Cowboys certainly enjoyed a successful year, both on the field and off.

The Freshman Football team enjoyed a year of ups and downs. The ups were highlighted by a 28 - 0 win over White Oak, 12 - 6 victory over Reading, 28 - 6 victory over Norwood, and a 6 - 0 squeaker over Greenhills. The downs were a loss to Princeton, 20 - 0, and Finneytown, 6 - 0. Quarterback Mike Morrissey and end Mike McGraw led the team this year resulting in high hopes for the future.

The Junior High Football team had a very successful year, finishing the season 5 - 0. In fact, they were scored upon only twice, outscoring the opposition 136 - 12. Teams falling before them were Anderson, Finneytown, Greenhills, Lockland, and Reading. Halfback N. Jacobs, fullback J. Diebel, and quarterback J. Carroll led the team.

The districts and final league meets were highlighted by some outstanding performances.

In the league meet the Cowboys finished second to Greehills among the Eastern Division schools, and fifth overall. Princeton, Anderson, Reading, Lincoln Heights, and Norwood were the Eastern division teams that were beaten by the Cowboys.

Jim Votaw, Jim Carroll, and Joe Reis led the Cowboys throughout these meets as each won medals for their total places. Votaw placed eighth in the ninety man field with a fantastic time of 10:05. Jim Carroll followed in seventeenth place in 10:33. Mike Burroughs, 10:42, and Cary Oliver rounded out Wyoming placed fourth, but missed qualifying for regionals by a total of five points. Wyoming undoubtedly would have qualified and won at least the runnerup trophy if school record holder Jim Carroll had run. He was out with a collar bone fracture. Princeton, who Wyoming beat three times during the season, was runnerup (to Colerain), thus showing the difference Carroll would have made.

All was not lost, however, as Jim Votaw qualified individually for the regionals. Joe Reis, John Snow, and Cary Oliver won medals for placing fifteenth, eighteenth, and nineteenth respectively.

At the regionals, Votaw compete against the top runners from the Cayton, Springfield and Cincinnati districts. He lowered the school record to below the ten minute barrier with a 9:47 for the two miles.

In the league standings Coach Scheele's boys placed ahead of both Princeton and Anderson which was a great showing for only the second year of running.

1967 will long be remembered in the Wyoming annals of history as the year that Intramurals was under the auspices of Mr. John Lucky. Some needed organization, tournaments, and a championship were significant achievements of the Senior High Intramurals in basketball. The champ was the senior team comprised of forwards Andy Duncan and Mark Rutledge, center Rick Ungar, and guard Tom Helscher and Tad Murray. The season finale was highlighted by an all-star game played with the faculty. Although the game was hotly contested, the final score left the seniors 20 points behind the faculty sharpshooters.

The Wyoming Reserves were basketball champs for the newly founded Hamilton County Suburban League with an overall record of 13-3 and a league record or 9-2. The league loss to Greenhills was averaged, resulting in the Cowboys leading their next closest competition by 2 games. Mark Brassfield was the gunner of the team, hitting 38% of his shots from the field, while Kurt Karakul was the most consistent by connecting with 48% of his attempts. The team field goal percentage was 37.5% for a per game average of 50.4 points compared to 38 for their opposition. On the charity line, Jeff Harris hit for 64% making him second in point average to Mark Brassfield. Dennis Bell and Gene Fender were the team's primary rebounding threat, accounting for 308 between them or slightly more than 19 a game. The team average of 32 a game accounted for their constantablity to fight for every basket, making our Sophomores champions in 1966-67, certainly a fine send-off to resigning coach Leo Perkins.

The Wyoming freshmen closed out their season with a 12-3 record and won the league championship. A win over Greenhills clinched the league title for the frosh. The Cowboys led throughout most of the game, but a late Pioneer surge tied the game at 40 apiece at the end of the regulation game. The hosting Cowboys out scored the Pioneers in the overtime to win, 48-42. The future is certainly bright with the Freshmen because in their three years of playing together they have the overall record of 31 wins and seven losses.

This year's Junior High Basketball Team was unable to continue the fine example shown by the 1965 - 1966 team. Early defeats came in spite of the team's good potential, and the sudden coach change in mid-season caused some re-adjustment.

The team ended the season with a six win, eight lost record. Their offensive average came to be 36.3%, and the defensive average resulted at 38.9%. A foul shot average of 39% weakened the team, along with stiff competition from teams such as Mount Healthy and Finneytown. Most games were agonizingly close and exciting, making the final losing record difficult for the players to swallow.

Wyoming's 1967 swim team enjoyed the finest year of the four years it has existed. The team compiled an excellent 9 - 4 dual meet record, led by co-captains Tom Dryer and Joe Reis. Four school records were set, the 200 yard medley relay by C. Oliver, T. Dryer, J. Reis, and C. Zimmerman, the 400 yard freestyle relay of J. Reis, T. Dryer, S. Davis, L. McMullen, and S. Guiseffi. The season was highlighted by qualifying for the State meet in Columbus, resulting in the team finish of 22nd in the meet. The team will lose T. Dryer, K. Foster, J. Reis, and C. Zimmerman by graduation, but the future looks bright with the strong showing of T. McNitt and C. Oliver.

This year's team was characterized by a lack of runs scored. Led by captains Steve Lewis and Pete Lyle, the team came through with a four and three league record and a nine and six overall score. Steve Lewis earned the Most Valuable Player award and also had the lowest earned-run average---.661. Butch Mobley, with 11 runs-batted-in, held the record in that department, and he also was the batting champion, with a .404 average. The team did very well this year, despite their record because many of the games were very close and their outcomes were decided in the late innings.

VICTORY

Individual efforts contributed much to the success of the 1967 track team. Jim Votaw continued his outstanding performance with a time of 4:53 for the mile run and 2:11 for the 880 yard run. Jim placed first in both these events in three of the team's meets. Cary Oliver had first place honor for the broad jump and relay participation. In the hurdles and pole vaulting division, Mark Brassfield and Tom Dryer were leaders.

The mile relay team, composed of Joe Reis, Robby Coith, Lenny Chenault, and Cary Oliver ran to a new school record of 3:40.5. Joe Reis was an invaluable member with his record time of 53.3 for the 440 yard run. The team of Tom Dryer and Mark Brassfield took honors in pole vaulting and high hurdles. Tom also participated in shot put and discus, taking second in the duel meet with Deer Park and Finneytown.

As a team, Wyoming won dual meets against Deer Park, Lockland, and Norwood. They lost to Finneytown, Knights of Columbus champion Mariemont and runner up North College Hill.

To make up for these losses, the cindermen brought back ten medals and several ribbons from this year's Knights of Columbus meet. In the league meets, the two mile medley team composed of Jim Votaw, Lenny Chenault, Robby Coith, Joe Reis, and Dave Word took second as did the combined team of Mark Brassfield and Tom Dryer.

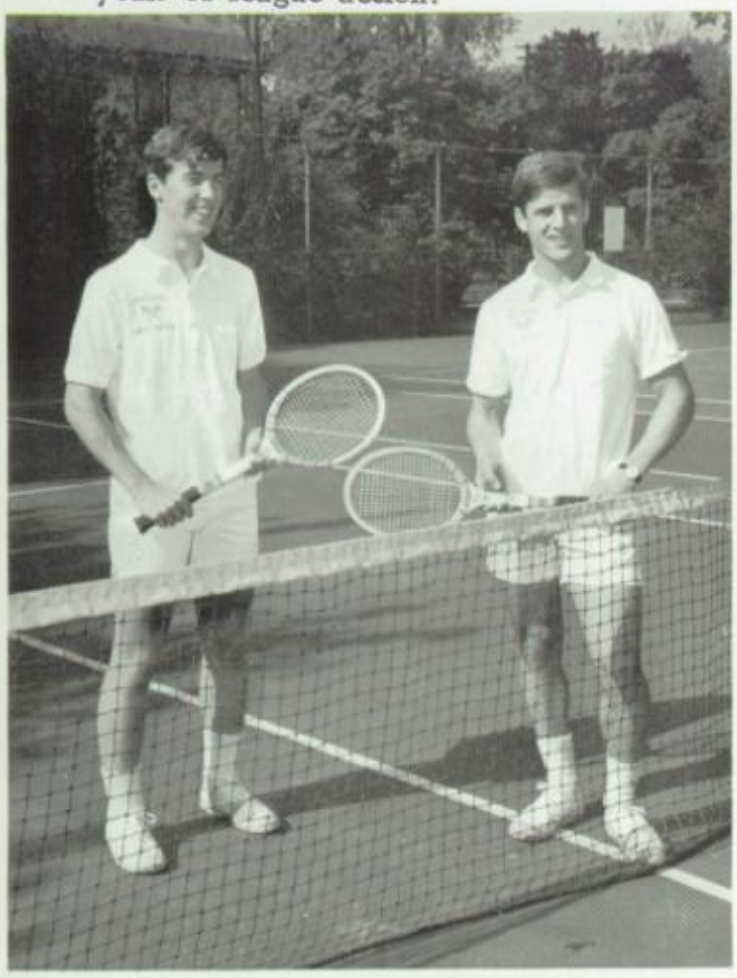
Racketeers on the Upswing

Andy and Charlie go undefeated in three years of league action!



Wyoming's netmen have once again clenched the HCSL tennis championship. Repeating their outstanding performance of 1966, the team went undefeated in league action (11 - 0) and acquired a 16 - 4 record overall, with losses only to Walnut Hill, Bellevue, Hamilton Taft, and Indian Hill.

The team's record for individual matches in the league was 54 - 1---almost perfect. To illustrate the individual excellence of the team members, each one has received a letter for his outstanding performances.

Over a three-year record, the illustrious first doubles team of Charlie Zimmerman and Andy Duncan has gone undefeated in league action.

All in all, it was a very successful season, and the team looks forward to another excellent season next year.

Our departing senior, Dave Jones.

Wyoming's fabulous linksmen have taken another Hamilton County Suburban League championship. It is their second straight HCSL title---they have taken the lead in the league in both years of its existance. Coach Johnson's coursers lost only one league match, and that was in their final match before the District matches. It was lost to Greenhills, the toughest other team in the HCSL. The team's final record is 18-3 overall.

Taylor Metcalfe was undoubtedly the outstanding player on the team, repeatedly being the low man, and thus the medalist for many matches.

With every single member of this year's champs returning next year except senior David Jones, the prospects are excellent for a third league championship in 1968.

Miss Linne's rompers produced a very successful season. The varsity proudly claims a season record of eight wins and one loss. It took just seven gals on the varsity team to spell success, four experienced seniors, two sophomores, and a most pleasantly surprising freshman. Kay Mootz captained the team that produced Sally Coith as high scorer with 102 points in eight games, Ellie Mootz 70 points, and Lynne Leslie with 69 points.

The reserve record was not quite as shinning as the varsity, but they showed some good prospects in the making.

The fantastic spiking volleyball team finished the season one better than the hockey team. The volleyball team can at least brag about beating their mothers. They toiled hard, they practiced long, to record of 0-8.

The girls' tennis team had a very succesful season, winning eight out of the nine matches scheduled. Carol Weston, a sophomore, played first singles and lost only two matches, one of which was to a nationaly ranked player. Denise McGill and Emily Garlich, second and third singles respectavely each had a record of six wins and three losses. The first doubles team was Tracy Bruce and Anne Fast; second doubles, Carol Anderson and Randel Gerhing. Next years team should be just as good, if not better, since only Emily and Ingrid will be leaving the team.

FIRST SINGLES: Carol

SECOND SINGLES: Denise

THIRD SINGLES: Emily

With great encouragement from Mrs. Jim Johnson, who organized the girls' golf team, the Wyoming golfers started their first season with a bang. Over twenty girls came to the practices, all of whom improved their game considerably with Mrs. Johnson's help. Nine holes were played to see vwho would play in the tournament. Francie Illif, Sally Coith, Susie Heffner, and Nomie Pease composed the first team, and the second team was made up of Jan Sheppard, Linda Asmann, Robin Robinson, and Sheryl Friend. The first team tied with Hillsdale A with a 223, and the Wyoming B team came in third with 239. Wyoming A lost, however, in the play-off by two strokes; but considering that this was the first season for girls' golf, Wyoming made an excellent showing.

ACKNOWLEDGEMENTS

The staff of the 1967 Round-Up owes thanks to so many people for making this book possible:

Mr. Naugle and Mrs. Simkins who devoted their time to advise us at the Wednesday night meetings.

The faculty who were so patient with our picture days.

Mrs. Beaty and Mrs. Krueger who helped us so much with all the "little" things.

Mr. Jeffries and Mrs. Megerle of the Osborne Photographic Labs who were responsible for the fine photographs in the book.

Taylor Yearbooks and Mr. Hirtzinger who published the book.

Finally, the student body, for buying and reading the 1967 Round-Up. We hope you enjoy it.
